

Student Sustainability Grant Final Report

Congratulations on completing a BGG project and thank you for helping to make our campus a more sustainable place. Please respond to the following questions for the final report.

An alternative to the final report is to display a poster on your BGG project at the Intermountain Sustainability Summit. If chosen, the SSO can cover your travel and printing.
<http://www.intermountainsustainabilitysummit.com/poster-session>

Return the completed report, including your advisors signature, to the BGG coordinator.

Project Title:

Report Date:

Name, Phone, Email of Project Leader:

Dollar Amount of this Grant:

What positive impact did your project have on the University?

If your project produced revenue or saved energy, how did you measure these savings?

Have there been any significant project changes since the grant was awarded?

How did you ensure your project was visible on campus and to community members?

How many students and faculty members were involved with the project and from what disciplines?

Did you face any barriers during your project and how did you overcome them?

Did your project work with any community partners? If so, who?

If you were to complete this project in the future, what would you do differently?

Do you believe your project was a success and why?

What skills or lessons did you learn from this project?

Attachments:

- Project budgets as submitted in the original proposal and actuals (explain any significant variances)
- List other funding sources and amounts received
- Photos of the project
