2010 FALL 2017
John Engler
4 SECTIONS 4 PROJECTS

The course has been centered around 10-week individual research projects designed to teach research, writing, and rhetoric skills.

Sustainability project promotes long-term VISION for designing innovative solutions.

The course now begins with a research project for THE WHOLE CLASS focused on a SUSTAINABILITY ISSUE and that runs CONCURRENTLY AND 3 WEEKS AHEAD of individual projects.

Homelessness

Extensive COLLABORATION builds sustainable working habits

Prisons

Class project scaffolds skills for effective RESEARCH and COMMUNICATION about sustainability.

SUSTAINABILITY it.
